MEMORANDUM

TO: Mr. Lawerence R. Houston  
Office of the General Counsel

FROM: Chief, Contract Unit

SUBJECT: Proposed Inclusion of Eight-Hour Law Provision  
in General Contract Conditions.

This office is revising the form entitled "General Contract Conditions" which are customarily attached to Invitations to Bid.

It would seem advisable to include a provision with respect to the Eight-Hour Law which has heretofore been omitted from the General Contract Conditions and included separately in those particular cases where it has been required.

It would be appreciated if you will approve the provision attached which we propose to use for form and content.
